Sorry Tom, 2:00 obviously did not work. We'll follow up as soon as we can.

Subject: Revised HRM

Hello Tom. Attached are our comments to the proposed changes to the HRM plan that come as attachment D. There are also some highlighted points in the beginning of the document that we think are important to communicate to Bayer but not intended to be included in the actual terms of registration.

Please share this with your group and consider them as quickly as possible. We realize this doesn't leave much time, but Marietta and I are hoping to follow up with you at 2:00 to see if there are any remaining issues.

Thanks,
Dan
